MEMORANDUM FOR: Deputy Assistant Director, Special Operations

FROM : Deputy Director Central Intelligence

25X1

SUBJECT :

25X1

1. Ambassador Cochran, who is a very old friend of mine, dropped in to see me the other day, and after talking about Indonesia, mentioned that an old colleague of his, John

and who was an expert on East-West trade, was retired from the State Department. Cochran thought he might be a useful person to pick up.

2. I recall [] casually from my Swiss experience and have a favorable impression of him, although I must admit it was somewhat vague and you might find he is too old to take on now. However, it might be worth an investigation.
